Asset Disposal Policy

1. Purpose

This policy establishes guidelines and procedures for the disposal of assets to ensure **accountability**, **compliance**, and **efficiency** in managing the organization's resources.

2. Scope

This policy applies to all **physical and intangible assets** owned by the organization, including but not limited to:

- Equipment
- Furniture
- IT hardware
- Vehicles
- Intellectual property

3. Asset Disposal Principles

- Assets should only be disposed of when they are no longer required, obsolete, damaged beyond repair, or deemed uneconomical to maintain.
- Disposal must be conducted in a **transparent** and **accountable** manner.
- **Environmental considerations** should be considered to promote sustainability.
- Compliance with **legal**, **regulatory**, and **financial** requirements must be ensured.

4. Disposal Methods

Assets may be disposed of using one or more of the following methods:

- **Transfer**: Transferring assets to other departments within the organization if still usable.
- **Sales**: Selling assets through public auction, tender, or direct sale at fair market value.
- **Donation**: Donating assets to charitable organizations or educational institutions where appropriate.
- **Recycling or Scrapping**: Environmentally responsible recycling or scrapping of non-usable assets.
- **Trade-in**: Exchanging old assets for new ones with a supplier.

5. Authorization and Approval

- The disposal of assets must be approved by the **designated authority** based on asset value thresholds.
- A **disposal request form** must be submitted with justification for disposal and valuation details.
- **High-value assets** require **board or senior management approval**.

6. Record Keeping

- All asset disposals must be documented, including:
    - Asset descriptions

  - Disposal methods
  - Approvals
  - Financial records
- Records must be maintained for **audit and compliance** purposes.

7. Compliance and Accountability

- All employees involved in asset disposal must **adhere** to this policy.
- **Non-compliance** may result in **disciplinary action**.

8. Review and Amendments

This policy shall be **reviewed periodically** to ensure continued **relevance** and **compliance** with regulatory requirements.
