Dialer Policy

1. Purpose

This policy establishes guidelines for the use of an outbound dialer system to ensure compliance with legal and regulatory requirements, protect customer rights, and maintain ethical dialing practices.

2. Scope

This policy applies to all employees, agents, and third-party vendors utilizing the dialer system for outbound communications.

3. Regulatory Compliance

All dialing activities must comply with the following regulations:

- Telephone Consumer Protection Act (TCPA)
- Fair Debt Collection Practices Act (FDCPA)
- General Data Protection Regulation (GDPR) (if applicable)
- Do Not Call (DNC) Registry compliance
- State and local telemarketing laws
- Other industry-specific regulations

4. Dialing Rules and Restrictions

- Calls must not be made outside legally permitted hours.
- The dialer must suppress numbers listed on national, state, or internal Do Not Call lists.
- Prior express written consent is required for auto-dialed or prerecorded calls to mobile numbers.
- Abandonment rates must not exceed 3% of answered calls per campaign, measured over a 30-day period.
- The dialer must provide an opt-out mechanism for recipients to stop further calls.
- Caller ID must display accurate company information.

5. Call Monitoring and Quality Assurance

- All calls may be recorded and monitored for compliance and training purposes.
- Supervisors must conduct regular audits of dialer activities to ensure adherence to policies.
- Agents must be trained on compliance requirements before using the dialer.

6. Customer Consent and Opt-Out Handling

- Maintain records of customer consent for telemarketing and automated calls.
- Customers must be given a clear option to opt out during calls and through a documented process.
- Opt-out requests must be honored within the legally mandated timeframe.

7. Data Security and Confidentiality

- Customer data used in the dialer must be protected per data security policies and applicable regulations.
- Only authorized personnel should have access to dialer systems.
- Personal Identifiable Information (PII) must be handled in accordance with company data protection policies.

8. Violations and Disciplinary Actions

- Non-compliance with this policy may result in disciplinary actions, including termination.
- Regulatory violations may lead to fines, penalties, or legal actions.
- Employees must report any suspected violations immediately to the compliance officer.

9. Review and Updates

This policy must be reviewed annually and updated as necessary to align with regulatory changes and business needs.

10. Acknowledgment

All employees and agents using the dialer must acknowledge receipt and understanding of this policy.
